Congratulations on your engagement and welcome to Ataahua, the idyllic garden setting for the wedding you have always dreamed of.

You will be spoilt for choice when looking for the perfect position to recite your wedding vows, be it within our intimate walled garden, in front of our outdoor fire, overlooking the bush, the decision is yours. After your ceremony your guests can mingle, wander and explore the grounds, play croquet or petanque, the perfect entertainment while you have your photos. Your romantic garden wedding will be complete with your reception in our traditional marquee, or maybe you would prefer our elegant indoor alternative.

The property has been developed with four seasons in mind... masses of deciduous planting captures beautiful autumn colour contrasted by evergreen topiaries and hedging. The property is dotted with up lit trees and others that sparkle with fairy lights creating a magical romantic setting in the autumn and winter months when dusk falls earlier. In spring the grounds burst into life with white blossom on the avenue of Chinese pear trees and denudata magnolias. In the summer the flowerbeds are a divine sight, the orchard with wild grasses is a great contrast to the formal elements of the garden and the canopy of the mature copper beech is refreshing on a hot afternoon.

We see Ataahua as the backdrop to your day; feel free to string up lanterns from the trees, bunting on the walls, whatever detail you wish to set your scene.

Our venue includes a commercial kitchen for your chosen catering company to work out of, therefore allowing flexibility for your day to take on the mood you desire. Ataahua is fully licensed, bar packages will be tailored to your tastes and budget.

Accommodation is not too far away, either nearby in the suburb of Greerton or with a quick 10 minute drive you will find yourself in the Tauranga CBD with a number of cafes on your doorstep or pop over the bridge to Mt Maunganui and enjoy the sea air.

Our aim is to help you achieve the most special event that reflects you, your style, your tastes, a truly memorable day for both you and your guests... the beginning of your happily ever after.
